Vakiti offers silk robes to Goddess Jogulamba

Hyderabad, Oct 16 : Minister for Animal Husbandry and Sports Vakiti Srihari on Friday presented silk robes to Goddess Jogulamba at the renowned Jogulamba temple in Alampur on behalf of the Telangana government on the occasion of the Dasara Sharannava ratri festival.The temple priests accorded a traditional welcome to the Minister and his wife with a Purna Kumbham.

Earlier, the Minister performed special prayers at the Sri Bala Brahmeswara Swamy temple and sought the deity's blessings. The couple later offered prayers to Goddess Jogulamba and presented the silk robes as per temple traditions. Speaking to the media, Vakiti Srihari said it was a great spiritual privilege to present silk robes to Goddess Jogulamba on behalf of the state government. He said he had prayed for the Goddess's blessings for the people and for the prosperity and well-being of Telangana.

Revanth pitches Hyderabad as Hyundai's car manufacturing hub

Hyderabad, Oct 16: Chief Minister A. Revanth Reddy has pitched Telangana as an ideal destination for Hyundai to establish car manufacturing facilities, citing Hyderabad's strategic location, robust transport infrastructure and conducive industrial ecosystem. A delegation of Hyundai Motor India Engineering (HMIE), led by its Managing Director Changyeon Cho, met the Chief Minister at the Bodhi Pavilion on Friday. Revanth Reddy assured the delegation that the State government would extend all possible support to facilitate manufacturing investments and expedite the company's proposed projects in Telangana.

"We are centrally located in the country, and Hyderabad is known for being cosmopolitan, safe and one of the most liveable among India's six metropolitan cities," he said.

The Chief Minister assured the Hyundai leadership of the government's support in expediting work on the company's proposed Integrated Global R&D facility at the National Investment and Manufacturing Zone (NIMZ) in Zaheerabad. The project entails an investment of ₹8,528 crore and an employment commitment of 4,276 jobs, with phased development planned across 678 acres.

The delegation briefed the Chief Minister on the project's progress and said the facility was expected to be ready for groundbreaking in the coming months. HMIE has had a presence in Hyderabad for the past 20 years, with its HITEC City facility serving as a major research and development centre for advanced vehicle engineering.

The proposed R&D facility and mega test centre at Zaheerabad are expected to expand Hyundai's engineering capabilities in India, particularly in vehicle testing, validation and engineering development. Revanth Reddy also highlighted Telangana's potential as a car manufacturing destination, pointing to dedicated mobility clusters, strong road, air and rail connectivity, and plans to improve high-speed connectivity with ports.

He said the State was preparing for rapid industrial expansion through spatial development frameworks such as the Peri-Urban Region (PURE), which focuses on manufacturing and related activities. Outlining the government's vision for Bharat Future City, a proposed world-class satellite city, the Chief Minister invited the Hyundai leadership to participate in the Invest Telangana Global Summit 2026.

K. Ramakrishna Rao, Advisor and Ex-Officio Special Chief Secretary to Chief Minister, Sangareddy Collector Prateek Jain, and senior officials also attended the meeting.

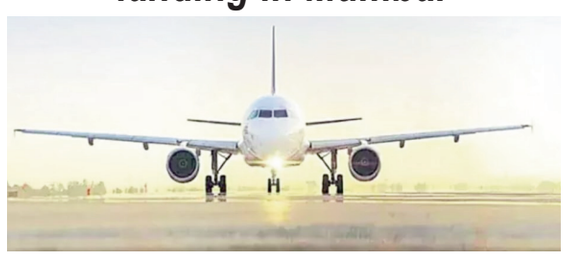

CM invited to Bathukamma film awards

Hyderabad, Oct 16: A delegation led by Telangana Film Development Corporation (TGFDC) Chairman Dil Raju met Chief Minister A. Revanth Reddy and invited him to the award presentation ceremony of the Bathukamma Young Filmmakers Challenge 2026, scheduled to be held at Shilpakala Vedika in Hyderabad on October 17.

Film director Harish Shankar, Telangana Media Academy Chairman Srinivas Reddy, Charan Arjun, Nalgonda Gaddar and others were part of the delegation.

Emirates flight to Hyderabad makes emergency landing in Mumbai

Hyderabad, Oct 16 : A Dubai–Hyderabad Emirates flight made an emergency landing at Mumbai airport after a passenger reportedly suffered a heart attack. Airport staff immediately shifted the passenger to a nearby hospital for treatment. Officials suspect that the passenger is a Hyderabad resident.

KTR challenges Revanth to order sitting judge probe into Singareni scam

Hyderabad, Oct 16 : BRS working president K.T. Rama Rao on Friday challenged Chief Minister A. Revanth Reddy to order an inquiry by a sitting judge into the alleged ₹10,000-crore Singareni scam, proposed foreign coal purchases and other alleged irregularities under the Congress government.

Addressing a meeting of the Narsampet constituency at Telangana Bhavan, KTR alleged that the government was creating crises in coal production, power supply and irrigation to justify costly purchases and earn commissions. "Revanth Reddy says he will order an inquiry if we write to >> Page...2

Bhatti directs officials to draft Rohith Vemula Bill in three months

Hyderabad, Oct 16: Deputy Chief Minister Mallu Bhatti Vikramarka has directed officials to prepare a preliminary draft of the proposed Rohith Vemula Telangana Bill within three months, aimed at protecting students' rights in universities and higher educational institutions and eliminating caste-based and social discrimination. Chairing the second meeting of the Committee of Senior Civil Servants (CSC) on the proposed legislation at the Secretariat on Friday, Bhatti stressed the need to adhere to the stipulated timeline at every stage, from constituting the committee to consulting various stakeholders.

The meeting discussed the framework for drafting the proposed legislation, the composition of the committee, legal aspects and the process of consultations with stakeholders. Bhatti directed officials to prepare a clear action plan to ensure comprehensive legal protection for students and complete the preliminary draft within the deadline for submission to the CSC.

Ministers Ponnam Prabhakar and Adluri Laks hman Kumar, Special Chief Secretary Savya sachi Ghosh, senior IPS officer Devendra Singh Chauhan, IAS officers Yogita Rana and Vijayendra Boyi, advocate Disha Wadekar and others attended the meeting.

Jupally invites Governor to Saddula Bathukamma celebrations

Hyderabad, Oct 16 : Minister for Tourism, Culture and Excise Jupally Krishna Rao on Friday met Governor Shiv Pratap Shukla at Lok Bhavan and invited him to attend the Saddula Bathukamma celebrations to be organised by the Telangana government on a grand scale at Tank Bund in Hyderabad on October 18. The Minister presented the formal invitation to the Governor, requesting him to grace the celebrations as the chief guest. Special Chief Secretary to the Tourism Department Vani Prasad and other officials accompanied the Minister during the meeting.

Sridhar Babu Proposes Telangana-Karnataka industrial partnership

Hyderabad, Oct 16: Minister for IT and Industries Duddilla Sridhar Babu on Friday pitched a strategic industrial collaboration between Telangana and Karnataka, describing the economic strengths of both states as complementary components of a unified value chain.

Speaking at the Bengaluru Roadshow for the upcoming Invest Telangana Global Summit 2026, organised in collaboration with the Confederation of Indian Industry (CII), Sridhar Babu addressed business leaders and investors, emphasising synergy over inter-state competition. "We have not come to Bengaluru to take anything away. Karnataka has its strengths, and they are extraordinary. >> Page...2

Kavitha slams Revanth over failure to prepare for drought

Hyderabad, Oct 16: Telangana Rakshana Sena (TRS) chief K. Kavitha on Friday accused Chief Minister A. Revanth Reddy of failing to take precautionary measures despite advance warnings of an impending drought, alleging that the government had ignored the threat posed by El Niño. Speaking to the media at her office in Banjara Hills, Kavitha said warnings about the possibility of a severe drought had been issued as early as January this year, >> Page...2

NATIONAL

KTR challenges Revanth to order sitting judge probe into Singareni scam

(1st page Continuation..)

him. If he has the courage, let him order a probe by a sitting judge into our allegations," KTR said, demanding an investigation into the alleged Singareni and solar power scams. He claimed that domestic coal from Singareni cost around ₹3,800 per tonne, compared with ₹10,000 to ₹12,000 per tonne for imported coal. Accusing the government of planning coal imports from Australia to secure commissions, he questioned the need for expensive imports when domestic coal was available.

KT Rama Rao further alleged that coal production had been reduced and around ₹60,000 crore in dues to Singareni remained unpaid, even as the company was being blamed for coal shortages.

Calling Revanth Reddy an "EMI Chief Minister", the BRS leader alleged that payments to the Congress high command were driving the proposed foreign coal purchases.

He accused the government of creating an artificial crisis and then citing shortages to justify buying coal and electricity at higher prices. On irrigation, KTR alleged that the government had failed to utilise available water from the Kaleshwaram project despite the BRS urging it to act six months ago.

He claimed that water was allowed to flow downstream without being lifted from the Kannepalli pump house, leaving crops to dry and worsening drinking water and irrigation shortages.

He criticised the government for citing the El Niño phenomenon instead of taking timely measures to address the situation, alleging that its failure to act had compounded the problems faced by farmers.

Kavitha slams Revanth over failure to prepare for drought

(1st page Continuation..)

but the government had failed to initiate even basic preventive measures. Describing the Chief Minister's recent appeal to farmers to make sacrifices as belated and shameful, she accused him of expressing helplessness instead of taking effective steps to address the crisis.

"A leader should have foresight, but the Chief Minister lacks it," she said, adding that it was unfortunate that farmers were being asked to make sacrifices only after the situation had spiralled out of control.

Kavitha pointed out that Telangana recorded a 28 per cent rainfall deficit in August and claimed that the situation could have been different had the government acted on the early warnings. She noted that neighbouring States had already identified drought-affected mandals and submitted reports to the Centre. Accusing the Chief Minister of negligence, Kavitha alleged that the government was attempting to buy time through review meetings instead of taking concrete action to mitigate the impact of the drought.

Kavitha also criticised the government over the delay in completing the Palamuru-Rangareddy Lift Irrigation Scheme and the failure to undertake repairs to the Medigadda barrage, despite nearly three years having passed since Revanth Reddy assumed office. Had these projects been completed, Telangana would not have been facing the present situation, she claimed.

TGPCB employees celebrate Bathukamma

Hyderabad, Oct 16 : Bathukamma celebrations were held on a grand scale at the Telangana Pollution Control Board (TGPCB) headquarters in Sanathnagar, Hyderabad, on Friday, under the aegis of the Telangana Pollution Control Board Employees Association.The celebrations, held as part of the Devi Sharannavaratri festivities, showcased Telangana's rich cultural heritage and the tradition of worshipping nature.

Women employees enthusiastically participated in the festivities, adorning the premises with colourful floral arrangements and enlivening the atmosphere with folk songs and traditional Bathukamma dances.

Speaking on the occasion, Shakuntala, senior administrative manager, said the celebrations were organised using naturally available flowers and leaves, reflecting the tradition's emphasis on living in harmony with nature.She urged people to draw inspiration from Bathukamma's nature-centric traditions and adopt environmentally responsible practices. She also called for measures to prevent pollution of water bodies and encouraged people to celebrate festivals in ways that protect the environment.

Sridhar Babu Proposes Telangana-Karnataka industrial partnership

(1st page Continuation..)

Telangana has its own. We have come with humility, to propose a partnership," Sridhar Babu said. Paying tribute to Karnataka's industrial and scientific legacy citing historic milestones from Kempe gowda and Sir M. Visvesvaraya to the establishment of the Indian Institute of Science (IISc)—the Minister noted that Karnataka has long recognised knowledge as "the first industry."

He lauded Bengaluru's position as India's startup hub and its foundational role in aerospace via HAL, ISRO, and NAL. Outlining a concrete blueprint for cross-state integration, Sridhar Babu highlighted potential supply-chain links between Bengaluru's R&D capabilities and Telangana's manufacturing ecosystem:

The Minister urged global enterprises with existing operations in Bengaluru to establish secondary hubs in Hyderabad, leveraging the talent pool from premier institutions including IISc, IIT Hyderabad, ISB, and IIIT, alongside innovation ecosystems like T-Hub.

Kharge Seeks All-Party Meet on New Bills

New Delhi, Oct 16 : Congress President and Leader of Opposition in the Rajya Sabha, Mallikarjun Kharge, on Friday wrote to Prime Minister Narendra Modi, seeking an all-party meeting to discuss bills and other proposals. Highlighting that the Constitutio nal Amendment Bill on Delimitation failed to muster the necessary two-thirds majority in the Lok Sabha on April 17, 2026, by a decisive margin, Kharge wrote, "Please convene an all-party meeting to have a detailed discussion on your new proposals before they are finalised for consideration in Parliament."

The LoP said, "All political parties must get sufficient time to deliberate among themselves, with each other and with all other stakeholders. Please do not once again try and bulldoze a far-reaching Constitutional Amendment Bill through Parliament as you attempted earlier and that met its well-deserved fate."

Kharge said, "You may kindly recall that I had first written to you on April 11, 2026 to convene an all-party meeting before bringing any Constitutional Amendment Bill on Delimitation. You did not do so. Thereafter, you made the Bills public on the late evening of April 14, 2026 and convened a special session on April 16, 2026."

"Thereafter, on July 16, 2026 and August 27, 2026, I again repeated my request for an all-party meeting. I am now doing so for a fourth time," wrote Khare.

The Congress President also expressed concern over the fact that both Houses of Parliament are yet to be prorogued since the adjournment in August.

"It has already been 64 days since the Monsoon Session of Parliament was adjourned on August 13, 2026, and both Houses of Parliament are yet to be prorogued. This scenario is unprecedented," said Kharge.

The Constitution (131st Amendment) Bill, 2026 along with the companion Delimitation Bill, 2026 and Union Territories Laws (Amendment) Bill, 2026 — was introduced in the Lok Sabha on April 16 by Minister of State for Law and Justice Arjun Ram Meghwal, but failed to pass after being rejected in the Lok Sabha on April 17.

CP Restaurant Owner Moves HC Over Protests, Seeks Damages

A restaurant owner in Connaught Place has approached the Delhi High Court seeking directions to the authorities not to grant permission for unauthorised protests, demonstrations or assemblies in the commercial hub that could cause financial losses to traders.

Advocate Umang Tyagi on Friday mentioned the plea filed by Aayush Chopra, a partner at a restaurant at Connaught Place, before Acting Chief Justice (ACJ) Nitin Wasudeo Sambre. During the mentioning, the ACJ observed that an order had been passed in similar petitions on Thursday and indicated that the present matter would now be taken up on October 27.

Apart from seeking directions to prevent unauthorised gatherings in Connaught Place, the petitioner has sought an assessment of the losses suffered by traders during the agitation organised by the Cockroach Janta Party (CJP) on October 10 and compensation from those responsible. The plea comes in the backdrop of a call by CJP founder Abhijeet Dipke asking people to assemble at Central Park in Connaught Place at 5 p.m. on October 16.

According to the petition, Central Park has not been designated as a protest venue, and the proposed gathering could severely affect commercial activities in the area, particularly during the ongoing festive season. The petitioner has contended that protests in the area must be conducted in accordance with the prescribed guidelines and at designated venues, arguing that unauthorised demonstrations could adversely affect the livelihood of traders and restaurant owners.

The plea further states that the CJP's gathering on October 10, despite the refusal of permission, had led to the closure of shops in Connaught Place and disrupted business activities in several markets across Delhi. Citing estimates by traders' bodies, the petition claims that Connaught Place suffered losses of Rs 150 crore to Rs 200 crore on October 10, while business worth around Rs 2,000 crore was affected across Delhi. The petitioner claimed that his restaurant had witnessed a sharp decline in business, including during Navratri, owing to the disruptions.

The petitioner has argued that the right to protest must be balanced against the fundamental rights of traders to carry on their business and that demonstrations should be confined to designated venues.

AISA Chief Detained Ahead of 'Tiranga' Protest

All India Students' Association (AISA) National President Neha Bora was detained by the Delhi Police on Friday, minutes after the detention of Cockroach Janta Party (CJP) founder and Convener Abhijeet Dipke while on his way to take part in the 'Tiranga Assembly', called by him at the Central Park in Connaught Place (CP) at 5 p.m.

Bora, along with workers of AISA and other left-wing parties, was detained from near Mandi House while on her way to take part in CJP's 'Lehra Do Tiranga' protest. Dipke had called the 'Tiranga Assembly', urging people to gather at the Central Park in New Delhi's Connaught Place and wave the Tricolour in protest against the arrest of his party's Co-conveners Saurav Das and Ashutosh Ranka.

However, the CJP Chief was served two notices by the Delhi Police earlier on Friday, urging him to refrain from staging the gathering at CP, as the New Delhi Municipal Council (NDMC) has not given permission for the same and that prohibitory orders are in place at the venue. The police also said that legal action will be taken for violating the prohibitory orders. Speaking to IANS, CJP spokesperson Mehar Pasricha said:

"Our main goal today is to emphasise that it is our right to decide where we unfurl the Tricolour. No one should dictate where we can wave our national flag; we will do it ourselves." Emphasising that the national flag has long been a symbol of patriotism, Pasricha added:

"There should be no restrictions or obstacles placed in our way. Two of our comrades were detained from Jantar Mantar and jailed simply for waving the flag. But we are not backing down.

Many CJP volunteers, various student organisations, and members of the public have gathered here because they believe no one should tell us what we can or cannot do."

Meanwhile, according to officials, one of the notices was issued to Dipke on behalf of the New Delhi district authorities under the Delhi Police Act, instructing individuals not to visit Central Park, as Section 163 of the Bharatiya Nagarik Suraksha Sanhita (BNSS) is currently in force.

SC Seeks Centre's Response on Age Limits for Social Media

New Delhi, Oct 16 : The Supreme Court on Friday issued notice to the Centre on a plea seeking a comprehensive and enforceable regulatory framework to protect children from the risks associated with social media platforms, including age-based restrictions on access and safeguards against online exploitation. A Bench of Chief Justice of India Surya Kant and Justice Joymalya Bagchi issued notice on the petition filed by The Emerald Heights International School and its Director (Academics), Siddharth Singh Girnar, and tagged it with a pending petition raising a similar issue.

The apex court has listed the matter for further hearing on December 3. The petition, filed against the Union of India, the Ministry of Women and Child Development, the Ministry of Law and Justice, and the National Commission for Protection of Child Rights, raises concerns over unrestricted access to commercial social media platforms by children and the alleged inadequacy of the existing legal and regulatory framework to address the risks posed by their use.

The plea contends that social media platforms generally prescribe a self-declared minimum age of 13 years, which does not correspond to the protection accorded to children under Indian law. It refers to the Digital Personal Data Protection Act, 2023, which recognises every person below 18 years of age as a child and provides for enhanced safeguards, including verifiable parental consent and restrictions on tracking, behavioural monitoring and targeted advertising.

"The present framework remains fragmented, incomplete and inadequately operationalised," the petition stated, arguing that there is no uniform and enforceable child-safety regime governing age verification, prevention of underage access, parental involvement and platform accountability.

BUSINESS

Apple Opens India Pre-Orders for Foldable iPhone Duo; Sales From Oct 23

Apple on Friday opened pre-orders for its first foldable smartphone, the iPhone Duo, in India from 5:30 PM IST, with official sales scheduled to begin on October 23.

The device marks Apple's entry into the foldable smartphone segment and features the largest display ever offered on an iPhone, while also being touted by the company as its thinnest iPhone to date. The iPhone Duo grabbed significant attention after Apple announced its pricing, making it one of the most expensive smartphones ever launched by the company. The foldable starts at Rs 2,99,900 for the 256GB variant, while the 512GB, 1TB and 2TB models are priced at Rs 3,24,900, Rs 3,74,900 and Rs 4,49,900, respectively. Despite the premium pricing, industry reports suggest strong consumer interest, with shipments expected to approach six million units globally in 2026.

Customers can pre-order the device through Apple's online store, authorised retail partners and leading offline retail outlets. The iPhone Duo adopts a book-style folding design. It features a 7.6-inch Super Retina XDR inner display and a 5.4-inch Super Retina XDR outer display. Apple claims the inner screen delivers 50 per cent more viewing area than the iPhone 18 Pro Max. Both displays support ProMotion technology, Always-On functionality and peak outdoor brightness of up to 3,000 nits.

A nano-texture finish on the inner panel is designed to minimise glare. Apple has equipped the foldable with its latest A20 Pro chipset, paired with a custom vapour chamber cooling system. The device runs iOS 27, which has been redesigned to take advantage of the foldable form factor. The software automatically adapts as the phone is opened, closed or used at different angles. Features such as Split View allow users to run two applications side by side, while saved app pairs enable faster multitasking.

The device also brings back Touch ID, which is integrated into the side-mounted power button. For durability, the handset features a Grade 5 titanium build, Ceramic Shield protection on the rear, Ceramic Shield 2 on the front and an IP68 rating for water and dust resistance. Photography is a major focus for the iPhone Duo. The smartphone houses a 48-megapixel Fusion Main camera with an integrated 2x telephoto capability and a 48-megapixel Fusion Ultra Wide camera that supports macro photography.

Collector Reviews Adverse Seasonal Conditions In Kamareddy District

Four Mandals Identified As Moderately Drought Affected - Rs 22.59 Crore Sanctioned For Singur Drinking Water Emergency Plan

Kamareddy, October, 16 (Telangana Essence) Rachurwar Subhash Correspondent.... In view of adverse weather conditions and El Nino effect, District Collector on Friday held a review with concerned department officials on advance precautions and preventive measures to be taken regarding standing crop protection, drinking water supply and power supply. Department-wise reports on electricity, agriculture, irrigation, groundwater, drinking water and fodder were examined. Speaking on the occasion, the Collector said that based on rainfall deficit, dry spells and impact indicators for Kharif 2026 season, matrix analysis was taken up and through field verification in 10 percent villages in each mandal, Jukkal (37% crop loss), Pedda Kodapgal (36%), Sadashivanagar (35%) and Mohammadnagar (34%) mandals have been identified as moderately drought affected mandals. He explained that more than 33 percent crop loss is eligible for drought declaration and more than 50 percent is considered severe drought.

Limited Withered Area

Collector said withered crop area in the district is limited. Out of 3,16,977 acres of paddy cultivation, only 1,043 acres (including 442 acres in Ramareddy mandal) withered and out of 45,043 acres of cotton, only 476 acres withered, while there is no loss in maize, soybean and red gram crops. He revealed that paddy harvesting is yet to be done in 3,11,480 acres and out of 85,236 acres of soybean, 71,741 acres harvesting is completed. He suggested agriculture and irrigation departments should work in coordination as water availability is most crucial till harvesting is completed.

Power Supply

Collector said due to dry spell, farmers continuously using pump sets to save crops has significantly increased agricultural power demand. In September 2026, against quota of 119.40 million units, 168.78 million units (141.35%) power consumption was recorded, while in same month in 2024 it was 87.28% and in 2025 it was 63.49% only. Till October 14, 80.72% consumption was recorded and maximum demand was 455 MW against capacity of 635 MW. He said power is being supplied to 4,50,861 LT, 195 HT services through 152 substations, 34,905 distribution transformers in the district, including 1,18,153 agricultural connections. In this season, 270 new distribution transformers and additional 23 power transformers (5 MVA) to prevent low-voltage were installed. 412 transformers are ready in stock, 10 repair centres and 13 vehicles are available. Out of 20 sanctioned new substations, one has been commissioned, 3 are under construction, 6 are in land acquisition stage and 10 are in tender stage. Real-time feeder monitoring system has been installed in 64 out of 140 substations to immediately identify feeder trippings and restore supply.

Irrigation

Collector said crop condition in ayacut of Nizamsagar, Pocharam, Kaulasnala projects is satisfactory. Last year against 1,59,474 acres, this year irrigation water was provided to 1,49,273 acres (93.60%). He said for last wettings, 1.710 TMC from Nizamsagar from October 15 to 25, 0.259 TMC from Pocharam from October 21 to November 4, 0.145 TMC from Kaulasnala from October 14 to November 4 water is required. He directed to carefully monitor water release as storage in Pocharam project is 23.57% less than average.

Groundwater

Collector said groundwater is being monitored through 69 piezometers in the district and as per September 2026 groundwater drought index, out of 25 mandals, 19 mandals are in normal condition. Tadwai, Dongli, Bichkunda mandals are in moderate stress, Ramareddy, Rajampet, Nizamsagar mandals are in mild stress and no mandal is in severe condition. District average groundwater level in September 2026 was at 8.68 meters depth, which is deeper than last year (5.93 meters) but better than pre-monsoon average 13.02 meters and 2015-16 levels. Out of 92,977 borewells in district, 1,167 (about 1.25%) dried up, with highest numbers in Ellareddy (150), Bibipet (142) and Tadwai (126) mandals.

Drinking Water

Collector said through Singur reservoir and Manjeera barrage, drinking water is being supplied to 536 rural habitations and 3 municipalities in 14 mandals in the district. In Singur reservoir, against capacity of 29.917 TMC, presently only 3.456 TMC storage is available, no inflow, average outflow of 352 cusecs is continuing. Annual requirement is 18.63 TMC while total storage is 3.924 TMC, hence present storage is estimated to be sufficient only till December 15, 2026.

In this background, State Government has formulated an inter-district emergency plan with Rs 84.14 crore, of which Rs 22.59 crore has been sanctioned to Kamareddy district, Collector said. With these funds, works like hiring private agricultural wells, water supply through tankers, digging emergency borewells, motor replacement, pipeline expansion will be taken up and work-wise sanction orders will be issued.

Jalasiri

Collector said under Jalasiri programme, against target of 2,210 farm ponds 1,104, against target of 1,09,274 magic soak pits 2,436, against target of 532 community soak pits 628, in Singur-Jukkal segment against 650 emergency drinking water supply works 620 works were sanctioned. He appreciated Ellareddy in magic soak pits construction, Jukkal in Singur segment works and Domakonda mandal in farm ponds completion for being in forefront.

Collector's Directions

Collector directed officials to take following measures to effectively face adverse conditions for next 60 days

1. Electricity department officials should continuously monitor supply and take steps to avoid interruptions in agricultural feeders.
2. Groundwater level should be monitored every week in stressed Tadwai, Dongli, Bichkunda, Ramareddy, Rajampet and Nizamsagar mandals.
3. Singur emergency plan works should be taken up on war footing and ensure no habitation faces drinking water problem.
4. Unauthorized pumping from backwater of reservoirs should be controlled; dead storage water in minor irrigation tanks should be saved for cattle.
5. TSNPDCL should provide uninterrupted 24-hour power supply to Mission Bhagiratha intake and pumping stations.
6. Groundwater and agriculture officials should frequently test borewell water yield and create awareness among farmers on water conservation to prevent burning of pump sets.

Collector directed all departments to work in coordination and ensure no difficulties arise for people in drinking water and for farmers in irrigation water and power supply. He appealed to people to use water sparingly and cooperate with officials.

1st T20I: Deepti, Niki rescue India from 19/4, beat Zimbabwe by four wickets

Debutant Niki Prasad held her nerve to hit an unbeaten 39 while Deepti Sharma played a counter-attacking 49 as India recovered from a dramatic top-order collapse to beat Zimbabwe by four wickets in the first women's T20I in Raipur on Friday.

Chasing 115 at the Shaheed Veer Narayan Singh International Cricket Stadium, India got home with 26 balls to spare, but were made to work far harder than expected in Smriti Mandhana's first match as full-time captain. After the first four wickets fell quickly, Deepti and Niki shared an 82-run partnership off 63 balls for the fifth wicket to help India survive an almighty scare. The duo were adept at placing their shots through the gaps and helped the hosts take a 1-0 lead in the three-game series.

Smriti began the chase with two boundaries in the opening over, but her dismissal sparked a stunning slide. Medium pacer Nyasha Gwanzura struck with her very first ball -- inducing a leading edge from Mandhana's attempted lap shot, and then had Anushka Sharma caught at point three deliveries later. Michelle Mavunga had Harmanpreet Kaur caught off a tame flick in a wicket-maiden over, while Nyasha held on to a sharp return catch to dismiss Shafali Verma in the fourth over. At 19/4, India had lost their first four wickets inside four overs for the first time in a women's T20I. Zimbabwe, who had lost all 18 of their T20Is this year, suddenly sensed an extraordinary upset. But Deepti and debutant Niki had other ideas. Deepti, the experienced left-hander, counter-attacked, stepping out to loft Nyasha for two boundaries in the sixth over, while Niki showed remarkable composure for a player in her first international innings. The pair took 15 runs off Olinder Chare in the 10th over and punished Michelle for three fours in the 14-run 12th over to take the game away from Zimbabwe.

Deepti fell agonisingly one run short of a half-century when she swept to short fine leg off Chare. Richa Ghosh hit a six before falling to Beloved Biza, but Niki fittingly capped off the chase by driving Tendai Makusha for four to seal the win. Earlier, Zimbabwe reached 60/1 at the halfway mark, with Kelis Ndhlovu (42) looking particularly fluent, aided by some sloppy Indian fielding that included overthrows and missed run-outs. But India's bowlers squeezed the scoring through the middle overs.

Sree Charani returned with 1-14 from her four overs, while Nandani Sharma had Nyasha and Michelle stumped off successive balls in the final over to finish with 2-11. Sharne Mayers provided late impetus with an unbeaten 43 to lift Zimbabwe to 114/5. Given how badly they rattled India's top order, Zimbabwe will rue not adding another 20 or 25 runs, which could have made this a very different contest. Brief scores: Zimbabwe 114/5 in 20 overs (Sharne Mayers 43 not out, Kelis Ndhlovu 42; Nandni Sharma 2-11, N. Sree Charani 1-14) lost to India 116/6 in 15.4 overs (Deepti Sharma 49, Niki Prasad 39 not out; Nyasha Gwanzura 3-18, Michelle Mavunga 1-19) by four wickets

SPORTS

Bumrah, Washington, Nitish, Akash Deep Return for NZ Tests

Premier fast bowler Jasprit Bumrah, along with off-spinning all-rounder Washington Sundar, seam-bowling all-rounder Nitish Kumar Reddy, and pacer Akash Deep have returned to India's 16-member squad for the upcoming two-match Test series in New Zealand. To accommodate the incoming quartet of Bumrah, Sundar, Nitish and Akash Deep, along with B Sai Sudharsan returning after recovering from injuries, batter Sarfaraz Khan, left-arm spinner Manav Suthar, off-spinner Saransh Jain, and pacers Auqib Nabi and Gurnoor Brar have been left out of the team.

Shubman Gill will continue to lead the side, with senior batter KL Rahul named as his vice-captain. The top order boasts a formidable batting lineup – Gill, Rahul, Yashasvi Jaiswal, Devdutt Padikkal and Sudharsan. First-choice wicketkeeper-batter Rishabh Pant and fast bowler Prasidh Krishna have both been included in the squad, though the BCCI stated that their availability remains subject to final fitness clearances.

Farmers should be provided with Pakala water under any circumstances!

Former MP, District BRS Party President Maloth Kavitha spoke to officials at midnight

Mahabubabad: District Correspondent Telangana Essence October : In the wake of the farmers' fields drying up due to lack of rain, BRS Party Mahabubabad District President and former MP Maloth Kavitha has urged the authorities to provide irrigation water to the farmers under any circumstances. Knowing the difficulties of the farmers firsthand, she responded on Thursday night and spoke to the concerned authorities. Farmers from Govindapuram, Tallapati, Teegalaveni, Lakshmipuram, Dubbagudem, Penugonda, Redyala, Kollapuram and other areas have planted paddy depending on Pakala water. As the farmers who were hoping for rains faced disappointment, the crop fields have dried up due to lack of irrigation water. This is causing concern to the farmers. BRS party leader Ponnala Yugandhar brought this matter to the attention of former MP Maloth Kavitha. Knowing the situation of the farmers, Kavitha immediately responded and spoke to the relevant authorities on the phone. She demanded that the water supply be continued without interruption for at least a week so that the farmers who had planted their crops relying on Pakala water did not suffer any damage.

The supply should be continued until water reaches the fields of farmers in the lower areas

Kavitha said that she had brought it to the attention of the authorities that the farmers who had grown crops by relying on rains were currently facing severe problems due to water shortage. She appealed to them to take steps to ensure that all the farmers who depend on Pakala stream water get irrigation water, especially to continue the supply until the water reaches the fields in the lower areas.

She urged the authorities to respond immediately so that the hopes of the farmers do not get dashed and the crops they have planted do not dry up. BRS leaders said that she demanded that steps be taken to monitor the irrigation water supply without interruption and ensure that water reaches the last ayacut.

Graduate MLC candidate should work for victory: Government Whip Dornakal MLA Dr. Jatoth Ramachandra nayak

Mahabubabad District Telangana Essence October : Government Whip and Dornakal MLA Dr. Jatoth Ramachandranayak has called on everyone to work in coordination for the victory of Congress Party candidate Ramreddy Sarottam Reddy in the Warangal-Khammam-Nalgonda Graduate MLC elections. He participated in the election preparation meeting held at Narsimhulapeta Mandal Center and directed the leaders on the strategies to be followed in the elections and the responsibilities of the party ranks. He advised them to work for the victory of the Congress Party candidate by meeting the graduate voters.

Mandal Congress President Bobba Somireddy, Block Congress President Dasoju Rajasekhar, former Mandal President Jeenakala Ramesh, Coordination Committee President Dasru Nayak, sarpanches, village party presidents, youth leaders, several public representatives, and Congress party leaders participated in this meeting.

He said that Athinarapu Bhairava Swamy belonging to Ellareddy emerged as winner through lucky draw. He revealed that bar allotment was given to token number 1 in the lucky draw. The district excise officer said that this process was conducted transparently under the leadership of District Collector Ashish Sangwan.

Mahabubabad Railway Station Plagued by Passenger Issues

- Development Works Worth Lakhs Underway, Yet Passengers Continue to Face Hardships

- When Will the Fourth Platform Be Completed? Focus Needed on Lifts, Platform Shelters and Toilet Maintenance: MLC Takkellapalli Ravinder Rao

Mullangi Mohan Reddy | Telangana Essence | Mahabubabad District Correspondent | October 16 MAHABUBABAD: Despite ongoing development and expansion works at Mahabubabad Railway Station, passengers continue to face several inconveniences due to inadequate basic amenities. Although the Central Railway authorities have allocated funds for the station's renovation and modernization, several issues remain unresolved, including the stalled construction of the fourth platform, the lack of lift facilities, poor maintenance of toilets and urinals, and insufficient shelters on platforms.

Against this backdrop, MLC Takkellapalli Ravinder Rao inspected the ongoing renovation and development works at Mahabubabad Railway Station and brought the problems faced by passengers to the attention of the concerned railway officials.

MLC Inspects Development Works

As part of the station's expansion and renovation programme, MLC Takkellapalli Ravinder Rao reviewed the progress of the ongoing development works. He interacted with the officials and discussed the need to provide essential facilities for passengers.

Responding to requests and grievances raised by railway users, he urged the authorities to pay special attention to the completion of the fourth platform and the provision of lift facilities.

He observed that passengers from various places use Mahabubabad Railway Station every day and that the infrastructure must be improved in proportion to the growing needs of commuters. He called upon the railway authorities to speed up the pending works and complete them without unnecessary delays so that passengers could benefit from the facilities at the earliest.

Fourth Platform Construction Remains Pending

The construction of the fourth platform has emerged as one of the major concerns at Mahabubabad Railway Station. The delay in completing the work has raised questions about the timely realization of the station's expansion objectives. The expansion of platforms and provision of essential amenities are crucial for ensuring the smooth movement of passengers, particularly during train arrivals and departures. Local residents point out that the delay in the fourth platform's construction is preventing passengers from fully benefiting from the proposed expansion. Passengers waiting for trains, senior citizens, women and families travelling with young children are among those who require better facilities. Passengers have urged the railway authorities to resume and accelerate the construction work and make the fourth platform operational as soon as possible.

Lack of Lift Facilities Troubles Elderly and Differently-Abled Passengers

The provision of lift facilities is another major demand raised by railway passengers. Elderly people, persons with disabilities, patients and women travelling with small children often find it difficult to climb stairs. Lift facilities would also be highly beneficial for passengers carrying heavy luggage. MLC Takkellapalli Ravinder Rao requested the railway officials to consider the needs of all categories of passengers while undertaking modernization works and ensure that lift facilities are provided at the station. He stressed the importance of developing the station with modern amenities that make railway travel more convenient, accessible and comfortable for everyone.

Poor Maintenance of Toilets and Urinals Draws Criticism

The maintenance of toilets and urinals at the railway station has also become a source of dissatisfaction among passengers. Clean and hygienic sanitation facilities are essential at busy public places such as railway stations.

Passengers have reportedly been facing difficulties due to inadequate maintenance. Local residents have urged the concerned authorities to ensure regular cleaning, uninterrupted water supply and proper sanitation management.

They emphasized that railway authorities should focus not only on new construction and infrastructure development but also on the proper upkeep of existing facilities. Regular monitoring and maintenance are essential to ensure that passengers receive satisfactory services.

More Shelters Needed on Platforms

Passengers have also called for adequate shelters on platforms to protect them from scorching sunlight and rain while waiting for trains.

The lack of sufficient covered areas leaves passengers exposed to adverse weather conditions. During the rainy season, commuters face difficulties in finding shelter, while the intense summer heat makes waiting on platforms uncomfortable. Passengers have urged the authorities to construct additional shelters wherever necessary, keeping in mind the needs of women, senior citizens, children and people suffering from health problems.

Public Funds Must Translate into Better Passenger Facilities

With the Central Railway authorities allocating funds for the development and modernization of Mahabubabad Railway Station, local residents believe that the works must deliver tangible benefits to passengers. They stressed the need for clarity regarding the progress of the projects and the timelines for making essential facilities available to the public.

The pending fourth platform, lift facilities, adequate platform shelters and hygienic sanitation facilities should be addressed on a priority basis, they said.Residents observed that the real objective of development would be achieved only when public funds are effectively utilized to provide better amenities and improve the daily travel experience of railway passengers.

Passengers are hopeful that the railway authorities will respond positively to the issues raised by MLC Takkellapalli Ravinder Rao and take necessary steps to resolve the long-pending problems. They emphasized that Mahabubabad Railway Station should not only be modernized with new infrastructure but also provided with reliable and well-maintained facilities to ensure a comfortable journey for all passengers.

Leaders Participate in the Inspection

Former Municipal Chairperson Dr. Palvai Ram Mohan Reddy, former Vice-Chairman Marneni Venkanna, Councillor Chityala Janardhan, party leaders Marneni Raghu, Kondapalli Karunakar Reddy, Vennamalla Ajay, Ambala Shiva and others participated in the inspection programme.

CPI Councillors Demand By-Election Cancellation in Mahabubabad

- We will continue to protest until the by-election process is canceled.

- CPI Municipal Floor Leader B Ajay Saradhi Reddy demands

- CPI councilors held placards at the municipal meeting today demanding cancellation of the by-election process over 17 vote loss notices in the Mahabubabad municipality.

- We will continue to protest until the by-election process is canceled.

- CPI Municipal Floor Leader B Ajay Saradhi Reddy demands

During the Mahabubabad municipality meeting, CPI councilors held placards at the meeting demanding cancellation of the by-election process. Speaking on the occasion, CPI Municipal Floor Leader B Ajay Saradhi Reddy said that He said that 17,000 votes were lost in the name of notices. He alleged that the votes of all sections of people who have been voting for the last 50 years have also been lost in Mahabubabad.

He said that the authorities should take immediate care that the votes are not lost. He said that voting is a fundamental right. Especially in Telangana state, 93 lakh votes have been lost and 13 crore votes have been lost across the country. CPI Municipal Floor Leader B Ajay Saradhi Reddy demanded that the Election Commissioner of India, who is acting as a puppet of Modi Amit Shah and is losing votes across the country, should be removed immediately, otherwise there will be unrest. He said that many votes have been lost in ward 33 and 18 25 of the Mahabubabad Municipality and the town.

He demanded that the authorities take action to prevent the votes from being lost. He said that the struggle will not stop until the Sir process is canceled. The CPI wants to see that 17 thousand votes are not lost in the Mahabubabad Municipality. CPI councilors have taken out a protest march in the municipality meeting today, demanding that they will hold a phased protest as councilors.

Ward 18 councilor Deshapalli Naveen, Ward 25 councilor Narra Sandhya, CPI leaders Perugu Kumar Nara Shravan Velugu Shravan Malothu, Ravinder Abhilash and others participated in the program. During the Mahabubabad municipality meeting today, CPI councilors came out with placards demanding the cancellation of the Sarprakriya. Speaking on the occasion, CPI municipal floor leader B Ajay Saradhi Reddy said that 17,000 votes were lost in the Mahabubabad municipality in the name of notices. He alleged that the votes of people from all sections who have been voting for the last 50 years have also been lost in Mahabubabad.

He immediately asked the authorities to take care that the votes are not lost. He said that voting is a fundamental right, especially in the state of Telangana, where 93 lakh votes are cast. CPI Municipal Floor Leader B Ajay Saradhi Reddy has demanded that 13 crore votes have been lost across the country.

He said that the Election Commissioner of India, who is acting as a puppet of Modi and Amit Shah, should be removed immediately, otherwise there will be unrest. He said that many votes have been lost in the 33rd ward and 18-25 wards of Mahabubabad Municipality and demanded that the authorities take action to prevent the votes from being lost. He said that the struggle will not stop until the Sir process is canceled. CPI councilors will protest in stages to ensure that 17 thousand votes are not lost in the Mahabubabad Municipality. In the municipality meeting being held today, CPI councilors have gathered at the program. 18th Ward Councilor Deshapalli Naveen 25th Ward Councilor Narra Sandhya CPI Leaders Perugu Kumar Nara Shravan Velugu Shravan Malothu Ravinder Abhilash and others participated.

Sardar Sarvai Papanna Goud statue unveiled in Gudur!

MLA Dr. Murali Nayak, DCC President Dr. Umavali Nayak unveiled the statue

Mahabubabad District: The statue installation ceremony of Sardar Sarvai Papanna Goud, a symbol of the pride of the Bahujan hero and the Sabbanda community, was held in the Gudur mandal center with great pomp. Amidst the clapping of drums, traditional dances, and slogans of 'Jai Goud.. Jai Sarvai Papanna', a festive atmosphere prevailed in the village.

Mahabubabad MLA Dr. Murali Nayak and District Congress Committee (DCC) President Dr. Umavali Nayak attended the event as the chief guests and unveiled the statue of Sardar Sarvai Papanna Goud and paid tributes to him.

Speaking on the occasion, MLA Dr. Murali Nayak said that Sarvai Papanna Goud's fighting spirit and courage are an ideal for today's youth. He called on everyone to know the history of the great man who fought for the self-respect and equality of the oppressed classes and to pass on his ideals to future generations. He suggested that all the people should move forward with unity and be partners in the development of the society.

DCC President Dr. Umavali Nayak said that it is everyone's responsibility to inform the youth about the history of Sarvai Papanna Goud, his fighting spirit and the work he did for social justice. He said that the installation of statues of the great men will remind them of their ideals and inspire the society. Gouda brothers, leaders of various Gouda associations and people from surrounding villages gathered in large numbers for this program organized under the auspices of Gudur Sarpanch Sunitha Kammalu. They garlanded the statue and paid tribute to Sarvai Papanna Goud. Many said that the inauguration of the statue of Sarvai Papanna Goud has given more importance to the self-respect of the people of Gudur region. The statue unveiling ceremony concluded with great enthusiasm and traditional activities.

Telangana farmers should be helped immediately!

- The center should release Rs. 50 thousand crores under drought relief
- Riyat Sangam State General Secretary Pashya Padma demands

Mahabubabad, District Telangana Essence October : Telangana State Farmers' Association (AIKS) State General Secretary Pashya Padma has demanded that the state government immediately help the Telangana farmers who are facing difficulties due to the drought conditions. She has asked for quality electricity supply to the farmers without power cuts and to immediately declare drought zones in the state.

She was speaking at a press conference organized by the Telangana State Farmers' Association at the CPI district office Veera Bhavan in the Mahabubabad district headquarters on Friday. She suggested that the government should take proactive measures to help the farmers whose crops are losing money due to the drought conditions. She has asked for continuous quality electricity to be provided to the crops under cultivation and for the Godavari waters to be used effectively without wasting them.

He demanded that compensation be provided for crop damage at the rate of Rs. 30,000 per acre for paddy crop, Rs. 50,000 per acre for cotton and chilli crops, and Rs. 20,000 per acre for vegetables and other crops. Keeping in mind the drought situation in Telangana, he demanded that the Modi government at the Center release funds of Rs. 50,000 crore to the state. Pashya Padma suggested that the state government should take steps on a war footing to solve the drinking water problem and make appropriate arrangements to ensure that there is no shortage of fodder for cattle. He said that the Chief Minister and the state cabinet should visit the field level and directly understand the problems of the farmers and take steps to solve them. He demanded that the government should go to the farmers and listen to their grievances and respond immediately to prevent farmer suicides. He also demanded that the government should support the families of the farmers who have already died.

CPI District Secretary B. Vijayasarathi, Farmers' Association District President and General Secretaries Nellore Nageswara Rao, Meka Veeranna, leaders Choppari Shekhar, Banothu Limbya Nayak, Ramagani Ravi and others participated in this meeting.

Rising prices of essential commodities should be controlled

- Electricity True Off Charges should be withdrawn
- Nallu Sudhakar Reddy CPI State Council Member

Mahabubabad District Karaswam Yam Telangana Essence October : CPI State Council Member Nallu Sudhakar Reddy demanded the governments to immediately control the prices of essential commodities that are increasing uncontrollably. Speaking at a meeting held at the party office in Kuravi Mandal Center, Sudhakar Reddy said that due to various reasons, the prices of essential commodities have increased by 13 percent in just two months, and these prices are still going up. In addition, RTC charges have been increased drastically in the name of festival special, due to which the poor and middle class people are suffering. However, the central and state governments are acting like they are fed up with lemons, which is a proof of the incompetence of the governments. Since the effect of El Nino is likely to increase prices drastically in the future, *There is a huge amount of black market They demanded that the government focus on price control by creating artificial shortages by draining reserves and increasing prices.

- Electricity True Off Charges should be withdrawn.

It is not appropriate to impose a burden of Rs. 5420 crore on the common people on the pretext of electricity purchase costs and revenue deficit. The decision to charge 30 paise per unit from November and 50 paise from December is like a palm tree falling on a roaring fox. *It is like putting an unbearable burden on the common people. If this burden is not withdrawn, large-scale movements will continue in the coming days, they warned.

CPI Mandal Convener Budama Venkanna, Mandal Assistant Secretary Burra Sammaiya, Kanne Venkanna, Dudikatla Saraiah, Bollam Uppalaiah Kalagura Nagaraju, Niligonda Nageswara Rao Katyala Krishna and others participated in this meeting.

Sudden heavy rain in Bayyaram.. Farmers rejoice

Rain brings life to drying crops!

Mahabubabad District Telangana Essence October : The sudden heavy rain in Bayyaram mandal of Mahabubabad district has brought relief to farmers. The rain that fell at a time when crops were drying up due to lack of rain for some time now and intense sun has given new hope to the farmers. Due to the lack of rain due to the effect of El Nino, the availability of water in agricultural wells and boreholes has decreased, and there are problems with power supply, farmers are working hard to save their crops. In these circumstances, the farmers are expressing hope that the rain that fell will be very good for the crops.

Farmers are expressing joy that the crops will get the necessary moisture with the mercy of the rain god for all these years and the difficulties of irrigation will be reduced to some extent. However, farmers are of the opinion that the expected rainfall is needed in the coming days for the crops to fully recover.

Farmers are demanding that the government should help the farmers who are already facing difficulties due to the lack of rain, provide continuous power supply to the crops and take steps to solve the irrigation problem. Farmers in the Bayyaram region are expressing joy as the rain has brought relief to the drying crops.

Compensation of Rs. 50 thousand per acre should be paid for the dried paddy crop

Farmers should be provided with 24-hour free electricity. Otherwise, they will besiege the substation: Demand of farmers' associations

Mahabubabad District Correspondent Telangana Essence Gudur, Mahabubabad: Areas Dr. Boda Anil Kumar Nayak, who inspected the dried paddy crops in the limits of Guridjala Gram Panchayat of Narsampet Mandal along with the farmers, demanded that compensation of Rs. 50 thousand per acre be provided to the affected farmers. He asked that the compensation be deposited directly in the accounts of the farmers. Speaking on the occasion, he criticized the government, which had promised to provide 24-hour free electricity to the farmers, for not providing uninterrupted power supply for at least six hours at present. He expressed his concern that the farmers were facing difficulties due to the government's failure to take early action in the wake of weather warnings of deficient rainfall.

In the wake of the drying up of paddy crops and farmers suffering severe losses, Power Minister Bhatti Vikramarka has demanded immediate action to ensure 24-hour power supply to agriculture. He has asked for immediate compensation for the affected farmers. He has warned that if the problem is not resolved, he will attack the substation along with the farmers. Local farmers and farmers' union leaders participated in the program.

For complete details of the qualifications, the notification on the college official website http://gmcmahabubabad.org/ can be checked.

Mukkamala Achyuta Rama Sarma Named BJP State Executive Member

Appointment Letter Presented by Ande Srinivas

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: Bharatiya Janata Party (BJP) Labour Wing State Convenor Ande Srinivas and Suryapet In-charge Palakurti Seshagiri Rao presented the appointment letter to Mukkamala Achyuta Rama Sarma, appointing him as a State Executive Member of the BJP Labour Welfare Schemes Implementation Committee. Speaking on the occasion, Achyuta Rama Sarma said that he would discharge the responsibilities entrusted to him sincerely and work towards expanding the committee across the state. He added that he would strive to induct new members from all regions into the committee and ensure that every worker is made aware of Central and State Government welfare schemes and receives the benefits they are entitled to. He also expressed his gratitude to everyone who supported his appointment.

MLA Devireddy Sudheer Reddy Offers Special Prayers to Goddess Kanaka Durga in Dilsukhnagar

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: As part of the Devi Navaratri celebrations, LB Nagar MLA Devireddy Sudheer Reddy visited the Kanaka Durga Temple in Dilsukhnagar on Friday and offered special prayers to the Goddess. On the occasion, temple chairman Ramchander and Executive Officer Snehalatha accorded a grand welcome to MLA Sudheer Reddy and arranged the special puja rituals. Leaders Thota Mahesh Yadav, Madhu Sagar, Kiran and others participated in the programme.

Dispute resolution through social mediation: District Legal Services Authority Senior Civil Judge Swati Murari

Mullangi Mohan Reddy Telangana Essence Mahbubabad District Correspondent : Mahbubabad District Legal Services Authority Secretary and Senior Civil Judge Swati Murari said that minor disputes arising in the society should be resolved through social mediation centers instead of bringing them to the courts, and the Revenue Police departments should play a key role in this regard.

On the orders of District Chief Justice K Murali Mohan, the judge held a meeting with social mediators on Friday. Social mediators trained by the Telangana State Legal Services Authority said that these mediation centers will greatly contribute to resolving minor disputes arising in social circles on the spot and harmoniously to promote a peaceful environment in the society. He said that these community mediation centers are currently functioning in Garlala, Mahabubabad town in Mahabubabad district. The police revenue officers of Garla Mahabubabad were called upon to play their part in resolving the disputes by referring the minor disputes coming to their offices to the respective Community Mediation Centers. The judge reiterated that the services provided at these Community Mediation Centers are free of cost and there is no need to pay any fee. The meeting was attended by coordinators, representatives and police personnel of the Community Mediation Centers of various mandals.

Youth and people should utilize government schemes, subsidized loans and training programs to grow financially.

Additional Collector Revenue K. Anil Kumar.

Mullangi Mohan Reddy Telangana Essence Mahabubabad District Correspondent October : Mahabubabad District Industries Department Investments (DIPC) held a review meeting at the Collectorate Conference Hall under the chairmanship of District Additional Collector Revenue K. Anil Kumar on the issues of Telangana I-Pass Act, Sanction MSME, Policy, PMIS, Scheme Implementation etc. On this occasion, the Additional Collector said that according to the industrial policy introduced by the government, unemployed young women and youth should be set up in small and large scale industries, SC and ST beneficiaries should be provided with vehicle subsidy loans, and employment opportunities should be utilized by getting training through Telangana I-Pass, MSME and PMIS schemes, In this meeting, Trainee Deputy Collector Nitish, DRO Naga Lakshmi, DRDO Project Director Madhusudana Raju, District Industries Department Officer Srimannarayana Reddy, Intermediate Officer Madar, Employment Kalpana Adhikari Rajitha, LDM K. Yadagiri, Welfare Officer Sirisha, SC, ST, Minority, BC Welfare Department officials, Desi Ram Naik, RTO, Vidyut D.E. Hiralal, Appa Rao from the Education Department, and officials participated.

Road Safety Measures Aim to Prevent Accidents

- TPCC Spokesperson Darpalli Rajasekhar Reddy

- Central medians reduce road accidents by 90 per cent

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: TPCC official spokesperson Darpalli Rajasekhar Reddy inspected the ongoing installation of central median grills on Wednesday, aimed at preventing road accidents and protecting lives along Sagar Ring Road and Karmanghat Road. He reviewed the safety works being carried out on Karmanghat Road, Sagar Ring Road and the stretch from Bairamalguda to Sagar X Roads. During the inspection, he offered several suggestions to the officials concerned to improve road safety. Rajasekhar Reddy stated that around three accidents used to occur every week on these roads in the past, with some resulting in fatalities. He said their observations indicated that accidents in the Sagar Ring Road and Karmanghat Road areas had decreased by nearly 90 per cent following the installation of central medians.

He added that these accident-prevention measures were being extended to more roads. He emphasised that the safety of pedestrians should receive equal priority alongside that of motorists. He urged officials to provide adequate road-crossing facilities and pedestrian-friendly pathways to enable people to cross

roads safely. Darpalli Rajasekhar Reddy also expressed his special gratitude to the officials of the Malkajgiri Municipal Corporation for granting prompt approvals and extending cooperation for the safety works. “Building roads alone does not constitute development. True development means ensuring that everyone reaches home safely,” he said. He further observed that preventing even a single accident could save an entire family from tragedy, adding that protecting people's lives was one of the greatest services to society.

Sudheer Reddy Seeks Sanctions for Pending UGD Works in LB Nagar

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: LB Nagar MLA Devireddy Sudheer Reddy met Hyderabad Metropolitan Water Supply and Sewerage Board (HMWS&SB) Malkajgiri Executive Director Pankaja on Thursday, seeking administrative sanctions and allocation of funds for pending underground drainage (UGD) works in various colonies across the LB Nagar Assembly constituency.

During the meeting, the MLA requested the officials to sanction new drainage projects and expedite pending works in several colonies across the constituency.

The colonies for which he sought approval of drainage works include Gokul Enclave in Bairamalguda; Siri Hills Welfare Association, Sri Gayatri Nagar Welfare Association, Dattatreya Nagar Welfare Association, Bella Yadav Nagar Colony on Kuntloor Road, Sairam Nagar Colony, Sri Vinayaka Nagar Welfare Association, and Sri Venkateswara Nagar Colony Welfare Association in Hayathnagar division.

In Hastinapuram division, he sought sanctions for works in Diamond Colony Welfare Association, Sultan Valva Weaker Section Welfare Association, Sri Venkateswara Colony Residents Welfare Association, Venkateswara Colony Phase II, Hastinapuram Residents Welfare Association, and Khadri Colony. In Mansoorabad division, the proposed works cover CSR Colony Welfare Association, C.R. Enclave Residents Welfare Association, Judges Colony Phase I, and Sriram Nagar Colony Welfare Association. In BN Reddy Nagar division, the MLA requested drainage works for BN Reddy Nagar Welfare Association and Sri Puram Development Association.

He also sought approvals for Sri Lakshmi Narasimha Colony Welfare Association in Chaitanyapuri division; Sarada Nagar Colony Welfare Association in Vanasthalipuram division; Ganesh Nagar Welfare Association, Satya Nagar Colony Welfare Association, and Rajiv Gandhi Colony in Kothapet division; APCO Colony Residents Welfare Association in Nagole division; and Tirumala Nagar Colony in Gaddiannaram division.

Responding to the MLA's representations, Executive Director Pankaja stated that some of the works had already been sanctioned based on the proposals submitted by Sudheer Reddy. She assured him that drainage works would be taken up in colonies facing major problems and that the remaining pending works would also be completed in a timely manner.

Should be given top priority to Drinking Water

- State Special Chief Secretary Vani Prasad

Sangareddy Dist Correspondent: El Nino-induced rainfall deficit and depletion of groundwater, State Youth Development, Tourism and Culture Department Special Chief Secretary and Joint District Nodal Officer Vani Prasad has instructed officials to take proactive steps to prevent water shortages in the future. She suggested that drinking water needs should be given top priority, water wastage should be prevented and people should be made aware to use available water resources economically. She said that coordination between government departments and participation of people and farmers are key to effectively combat El Nino conditions. On Friday, Vani Prasad visited Kanukunta village in Gummadidala mandal along with Additional Collector T.L. Sangeetha. She inspected the cotton, tomato crops growing in the village and spoke to farmer Bal Reddy, who is cultivating cotton, and learned about the condition of the crops, water availability and cultivation details. Keeping in mind the El Nino conditions, she suggested that priority be given to wet season crops that grow with less water. She told the officials to encourage every farmer to build farm ponds in his field. She advised the local public representatives to create awareness among the farmers to make good use of the working days under the VB-G Ramji scheme and to encourage farmers to observe crop breaks where necessary. Later, Vani Prasad held a review meeting with the relevant officials from Sangareddy and Siddipet districts at the Gummadidala Tahsildar's office. The current crop condition, rainfall, drinking water resources, power supply, availability of fodder, and the advance action plan to be formulated to face future problems were reviewed. The officials were advised to take necessary steps to protect the crops currently in the fields until they are available. farmers should be made aware of the availability of water and the condition of groundwater in the upcoming Yasangi season and choose wet crops. farmers should cultivate paddy without estimating the availability of water and ensure

that they do not suffer any losses. officials of the Agriculture Department should inspect the condition of the crops village-wise and provide appropriate instructions to the farmers for crop protection.water reserves in the reservoirs, the level of groundwater, the availability of water in the boreholes, and the power supply conditions should be assessed from time to time and the farmers should be guided. officials of the Agriculture, Irrigation, Rural Water Supply and Power Departments should work in coordination.she suggested that the officials of the Animal Husbandry Department should take preventive measures to prevent shortage of animal feed. Additional Collectors of Sangareddy and Siddipet districts Sangeetha, Lakshmi Kiran, Additional SP Chaitanya Reddy, and officials of the respective departments participated in this review meeting.

Utilize Census-2027 Training Effectively: Collector Ashish Sangwan

Kamareddy, October, 16(Telangana Essence) Rachurwar Subhash Correspondent...Two-day training classes for Census Charge Clerks and Technical Assistants related to the second phase of Census-2027 in Kamareddy district began on Friday. Staff from 25 mandals and 4 municipalities in the district are participating in this training being held on October 16 and 17.

On this occasion, District Collector Ashish Sangwan said that Census is a very crucial national programme and suggested that every detail should be recorded with accuracy. He said that staff should utilize the training classes effectively and gain complete understanding of the procedures related to Census. He directed that during field-level duties, rules must be strictly followed and duties should be performed responsibly without giving scope for any mistakes.

As part of the training, master trainers are imparting awareness on 40 types of questions related to Census, information collection method through them, self-enumeration process, and technical processes to be undertaken in CMMS portal.

They explained precautions to be taken and rules to be followed during information collection at field level.

Chief Planning Officer Raghunandan, master trainers Bhukya Ravikumar, A.R. Yugandhar Babu from District Statistics Officer office, census charge clerks, technical assistants and others participated in this programme.

Special Inspections Conducted On Sweet Shops, Bakeries In Banswada Town

Kamareddy, October, 16 (Telangana Essence) Rachurwar Subhash Correspondent... As part of special drive on Indian sweets and bakery products, Food Safety Officer G. Vikram today conducted inspections in several sweet shops and bakeries in Banswada town. During inspections, it was found that several food business establishments were operating without FSSAI registration / license. Also several hygiene lapses were detected. Suspicious food samples found during inspections were collected on the spot and sent to laboratory for analysis.

Notices were issued to food business operators who do not maintain hygiene and do not have FSSAI license / registration. People were advised to purchase food items only from shops that maintain hygiene and to read labels properly before purchasing.

Moddu Lacchi Reddy Invited to Sri Trishakti Temple Navaratri Celebrations

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: Temple committee representatives on Friday presented an invitation to Moddu Lacchi Reddy, former corporator of BN Reddy Nagar Division, for the 13th Sri Devi Navaratri Mahotsavams to be held at Sri Trishakti Devasthanam in Hariharapuram Colony, under BN Reddy Nagar Division. On this occasion, the temple management met Lacchi Reddy and explained the significance of the Navaratri celebrations. The committee members extended a devotional invitation to him to attend the special pujas and homams to be performed for the Goddess as part of the Sharannavaratri festivities and seek Her divine blessings. Speaking on the occasion, Moddu Lacchi Reddy expressed happiness over the conduct of the 13th Sri Devi Navaratri Mahotsavams at Sri Trishakti Devasthanam in Hariharapuram Colony with devotion and dedication. He wished for the grand success of the celebrations and prayed that, with the blessings of Goddess Trishakti, people would be blessed with good health, long life and prosperity. Temple chairman Vijaya Bhaskar, treasurer Ravinder Kumar, managing trustee Narayana Reddy, colony president Shankarayya Goud, vice-president Muralikrishna, senior citizens secretary Eshwar Rao and others were present.

Red Cross Society Should Lead In Providing Better Services To Poor: Collector Ashish Sangwan

Collector Announces Early Allotment Of Land For Red Cross Blood Bank In District

Kamareddy, October 16 (Telangana Essence) Rachurwar Subhash Correspondent... The oath-taking ceremony of the new executive committee of the Indian Red Cross Society was held grandly on Friday at the Kamareddy District Collectorate. District Collector Ashish Sangwan, in his capacity as President of the District Red Cross Society, participated as the chief guest and administered the oath to the new committee members. Speaking on the occasion, Collector Ashish Sangwan said that the Indian Red Cross Society stands as a symbol of humanitarian service. He advised the new committee members to expand service activities more widely, standing by the poor and those in distress in society. He called for special attention to provide blood in time to those in need and to create awareness among people about blood donation.

The Collector announced that land for setting up a special Red Cross Blood Bank in the district will be allotted as early as possible on behalf of the district administration.

He said that once this centre becomes available, it will be of great benefit to patients in times of emergency. Responding to the Collector's call, the new Chairman of the District Red Cross Society, M. Sanjeeva Reddy, announced a donation of Rs. 5 lakh for the construction work of the blood bank.

New Executive Takes Oath

In the Red Cross District Executive, M. Sanjeeva Reddy as Chairman, Gonekkar Dasthiram as Vice Chairman, Gaddam Ramesh Reddy as Treasurer, and Musuku Jaipal Reddy as State Managing Committee Member took oath. Along with them, executive members Dattadri, Govardhan, Sridhar, Krishna, Kusuma Srikanth, Sadashiva Reddy, Nagaraju Goud, Venkat Reddy, Balachandram, Kiran and Maraveni Rajanna took oath. Altogether, a new executive committee comprising 15 members took charge. Additional Collector Victor, Additional Collector (Local Bodies) Y.N. Giri, Assistant Commissioner of Labour Dr. Shashikumar, DM&HO Venkati, DEO Mallikarjun, District Management Committee members and others participated in the programme. Later, official certification letters were handed over to the new executive members and they were felicitated grandly with shawls and mementos.

Naayi Brahmins Stage Protest in Bairamalguda

Congress Bairamalguda Division President G. Chandrasekhar Reddy extends support; appeals to protect their livelihood

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: Bairamalguda Congress Party Division President Gopireddy Chandrasekhar Reddy expressed his full support for people who depend on their traditional occupations for their livelihood. On Friday, Naayi Brahmins staged a protest in Santoshi Mata Colony under Bairamalguda Division, opposing the opening of a hair salon by a person belonging to another community. Participating in the protest, Gopireddy Chandrasekhar Reddy extended his complete support to the Naayi Brahmin community, stating that their traditional occupation and livelihood must be protected. He said that it was not appropriate for people from other communities to open Mangali shops, expressing solidarity with those who depend on their traditional profession for their livelihood.

Congress senior leader Tipparti Vijay Bhaskar Reddy, LB Nagar Youth Congress President Shivakumar, Youth Congress General Secretary Prasad, and Naayi Brahmin community leaders Ravinder Naayi, Narasimha, Ramesh, and others participated in the protest.

Jukkal MLA Performs Bhoomi Puja For 33/11 KV Power Substations

Rs 10.30 Crore Substations Aimed At Meeting Farmers Needs

Kamareddy, October, 16 (Telangana Essence) Rachurwar Subhash Correspondent... Focusing on farmers needs, Jukkal MLA Thota Lakshmikantha Rao performed Bhoomi Puja today for construction of 33/11 KV power substations at an estimated cost of Rs 10.30 crore. The Bhoomi Puja was performed for substations in Brahmanpally-Arepally, Katepally, Lachan and Thadgoor villages in Jukkal Constituency.

The main objective of constructing these substations is to provide quality power for agricultural needs of farmers, reduce interruptions in power supply and ensure farming operations are not hampered.

The MLA directed the concerned officials to complete these works within 3-4 months. Kamareddy DCC President Aele Mallikarjun, Sanjay sarpunch Lachhan, Shanthabai Earanna Sarpunch Thadghur Big, Manohar desai, Kondda Ganghadher, Chowlawar Hanmandlu, senior Congress party leaders, Madnoor mandal sarpunches, activists and Deputy Tahasildar, Revinue inspector,De. Vinod, Ae.Sairaj, Ae, Gopi,Alm,Rajesh,Lm.srinu, electricity department officials, Contractor Krishnna, participated in the programme.

Congress Govt Failed To Provide 24-Hour Power To Farmers

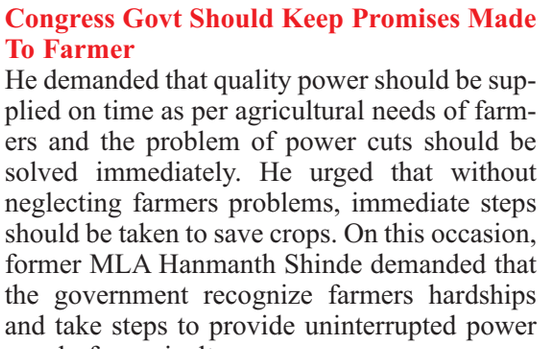

Govt Ignoring Farmers Hardships: Ex-MLA Hanmanth Shinde

Kamareddy, October, 16 (Telangana Essence) Rachurwar Subhash Correspondent.... Jukkal former MLA Hanmanth Shinde criticized that the Congress government in Telangana has failed to supply power to farmers on time and farmers are facing severe hardships due to power cuts. Speaking at a press meet held at Pedda Kodapgal Mandal on Friday on behalf of Jukkal constituency people and farmers, he made strong criticism against the Congress government. Hanmanth Shinde said that during the previous BRS government under KCR's leadership, they provided 24-hour free power to farmers, with which farmers happily carried out agriculture. But he expressed anguish that in the present Congress government, crops are drying up due to non-availability of power to farmers on time.

Farmers Facing Power Woes, Crops Drying Up

He said farmers are facing severe hardships due to non-availability of power at the time required for agriculture and are struggling to save crops cultivated with day and night hard work. He criticized that farmers are facing financial losses due to power cuts.

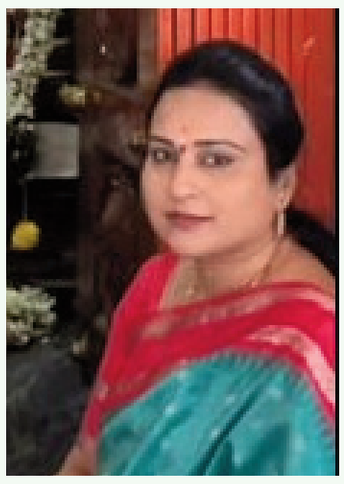

Hanmanth Shinde said that earlier smiles were seen on farmers faces, but today under Congress government rule, seeing crop fields brings sorrow to farmers.

Congress Govt Should Keep Promises Made To Farmer

He demanded that quality power should be supplied on time as per agricultural needs of farmers and the problem of power cuts should be solved immediately. He urged that without neglecting farmers problems, immediate steps should be taken to save crops. On this occasion, former MLA Hanmanth Shinde demanded that the government recognize farmers hardships and take steps to provide uninterrupted power supply for agriculture.

Saddula Bathukamma Celebrations at Karmanghat Hanuman Temple Today

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: The Saddula Bathuka mma celebrations will be held at Sri Hanuman Devastha nam in Karmanghat on Saturday, October 17, following requests from devotees, temple Executive Officer N. Lavanya said. She appealed to women devotees to attend the celebrations in large numbers and participate in the traditional Bathukamma festivities on the temple premises.

Mass Aksharabhyasam Ceremony Held

Meanwhile, as part of the Devi Navaratri celebrations, a mass Aksharabhyasam (initiation into learning) ceremony was organised for children before Sri Saraswati Ammavaru at the temple on Friday, the sixth day of Navaratri, on the occasion of Moola Nakshatra. Temple officials made special arrangements for the ceremony, which began at 8 a.m. and was conducted in batches. Children were offered special prayers in the presence of their parents before being initiated into learning. As a token of appreciation, the temple distributed notebooks bearing the image of Sri Dhyananjaneya Swamy and pens free of cost to the children who participated in the Aksharabhyasam ceremony. Temple Executive Officer N. Lavanya also arranged separate counters for seva tickets and prasadam tickets to facilitate devotees and manage the rush.

Kallem Navajeevan Reddy Offers Special Prayers at Peddamma Thalli Temple

Telangana Essence Reporter Avvari Venkateswara Sarma, LB Nagar, Hyderabad, October 16: As part of the Devi Sharannavaratri celebrations, former Hayathnagar corporator Kallem Navajeevan Reddy, along with his family members, visited Sri Sri Sri Peddamma Thalli Temple in Hayathnagar and offered special prayers to the Goddess. Later, he participated in the annaprasadam distribution programme organised at the temple and served prasadam to the devotees. On the occasion, Navajeevan Reddy wished for the blessings of the Goddess to be bestowed upon all people and expressed his hope that everyone would lead a life filled with happiness, prosperity, and good health. His mother, Kallem Kalavathi; wife, Kallem Naveena; sons, Varshik Reddy and Sushant Reddy; BJP leaders; temple administrators; devotees; and local residents also participated in the programme.

Rythanna... Foresight Is Our Strength!

Kamareddy, Telangana Essense October, 16 Rachurwar subhash correspondent... An awareness poster designed to help farmers take precautionary measures in view of El Nino effect and use water resources efficiently has been released through the District Public Relations Officer Office. This poster should be widely publicized through all official WhatsApp groups at village level and mandal level as well as through concerned social media.

Concerned officials and staff should take coordinated steps to ensure this information reaches every village and every farmer in the district. Awareness should be created among farmers and information on precautionary measures to combat El Nino effect should be conveyed to every farmer.

Sama Ranga Reddy Offers Prayers at Sri Maha Shakti Temple in Karimnagar

BJP LB Nagar Assembly In-charge and Medchal Rural District In-charge Sama Ranga Reddy participated in special prayers organised at the Sri Maha Shakti Temple in Karimnagar on the occasion of Sri Devi Navaratri celebrations. The puja programme was conducted under the leadership of Union Minister of State for Home Affairs Bandi Sanjay Kumar, in the presence of former Rajya Sabha MP Garikapati Mohan Rao. Sama Ranga Reddy offered prayers and sought the blessings of the Goddess. ST Commission member Jatoth Hussain Naik, Rangareddy Urban District Secretary Nutti Srinivasa Rao, district spokesperson Tadakamalla Vijay Kumar, and others participated in the programme.

Ramayana Trailer 2: Epic Action On Big Scale!

One of the biggest projects in the production stage in Indian cinema happens to be Ramayan. The trailer for the first part of the film, which is releasing this Diwali season was released earlier, and now they have dropped another new trailer for the film. This second trailer for Ranbir Kapoor film has received an international release and it has started to grab all the right attention already. This second trailer for the film presents the epic action scale that is an offer for this Ranbir Kapoor film. There is a proper introduction that is given to the Prabhu Sriram character that is played by Ranbir Kapoor and also Ravan character that is played by Yash.

The first impression that we get after watching this massive set piece trailer is that the production scale of this film is massive in scale. The makers have creativity spent a lot of money on this film, and that is evident in every single frame. The musical score that has been composed by the legendary combination of A R Rahman and Hans Zimmer is beyond ordinary, and that is going to be a crucial aspect of this film in theatre as well.

The VFX and CGI are going to be the main asset for this film and everything will depend on how they appear on the screen in theatre. If the visual appeal is good enough, then there is a very good prospect for this film at the global box office. But a lot is going to depend on the kind of narrative that is going to be implemented in this film, and this will decide the outcome at the ticket counters as well.

Can Ramayana Win Over Telugu Audiences in November?

November is going to be a special month for movie lovers as several interesting films are getting ready for release. Telugu films, Tamil dubbed movies, Hindi films and Hollywood projects will compete for the attention of audiences. But one big question is whether Ramayana: Part 1 can attract Telugu audiences amid these multiple releases. The film is scheduled to release on November 5. It will face competition from several movies arriving in November and December. Although Ramayana is a well-known epic, its performance in the Telugu market will depend on audience interest, promotions and the response it receives.

November has several important releases. Kiran Abbavaram's Hatah and Suriya's Scene are scheduled to arrive on November 6.

Sharwanand's Bhogi will release on November 12. Movies like Donga Naa Koduku, Dark Chocolate and Talcum Powder are also expected to entertain audiences during the month. Vishwak Sen's ENE Repeat is scheduled for November 19. Dulquer Salmaan's Aakasamlo Oka Tara and Dhanush's Tamil film OM Chapter 1: Udhiram are expected to compete for audience attention on November 20. Bellamkonda Sai Sreenivas's Haindava and Rashmika Mandanna's Hindi film Mysaa are among the other notable releases towards the end of November.

December will also be busy. Naga Chaitanya's Vrushakarma, Nithiin's Alias Rukmini and Vishwak Sen's Legacy are scheduled for December 4. The Christmas season will bring more competition with Balakrishna's Dada, Nagarjuna's King 100 and Shah Rukh Khan's King scheduled for December 24.

Does Anyone in Tollywood Have Idea About Suriya's Scene?

Actor Suriya is preparing for his next film, Scene which is scheduled to release in theatres on November 6, 2026. But the film is not creating much excitement in Tollywood. Even though the release date is approaching, many Telugu movie lovers are not talking about the film. Some people may not even know that it is arriving in the-atres next month. Suriya recently scored successful films with Karuppu and Vishwanath and Sons. His movies have received attention from audiences and fans are expecting more interesting projects from him. But his upcoming film Scene is not getting the same response in the Telugu market.The film is directed by Jithu Madhavan who became popular after the success of Aavesham. The movie also marks the Tamil debut of Malayalam actor Naslen. These factors created expectations around the project when it was announced in Kollywood and also in Mollywood. But film has not yet created strong buzz among Telugu audiences. One of the main reasons could be the lack of proper promotions. With only a few weeks left before its theatrical release, the makers have not started large scale publicity activities. The first single released from the film also failed to create the expected impact. This has disappointed some Suriya Telugu fans who believe that the team should promote the film more actively. They feel that a good movie needs proper publicity to reach a wider audience. There have also been rumours about a possible postponement because of delays in post-production work.

But reports suggest that the makers are planning to release the film during Diwali as scheduled. Several promotional events are reportedly being planned in Chennai, Dubai, Hyderabad and Kochi during the final weeks before release. The team is also said to be confident about the final output and is planning a wider release across India. So, if they can create sound at least by end of the October, then only the film can get minimum pre release business in Tollywood.

Ranabaali Movie Review

'Ranabaali' Vijay Deverakonda and Rashmika Mandanna are back together on the big screen after a long gap. They have come together for their latest pre-independence action film Ranabaali, which released in theatres today. Story: Set in the 1880s and early 1900 period, this film deals with the pre-independence British rule in India. It essentially revolves around the great famine in the Rayalaseema region under the Madras regime that was brutally ruled by the British.

Ranabaali who becomes an inspiration for Indians to fight back at the British. The confrontation between the two of them marks the rest of the story. Analysis: For instance, we have the case of Jailer 2 which released yesterday. This film had virtually not much story associated with it. It was a film that depended on style over substance and it worked in its favor thanks to Ranabaali today, the situation is the exact opposite. This film had a strong emotional story regarding the great famine that killed lakhs of Indians in the British rule. The hunger death aspect is an emotionally strong one. But at the end of the day, a cinematic experience requires dramatisation and commercial packaging, and this is precisely where Ranabaali falls behind. Director Rahul has placed more importance on giving this film and artistic vibe than adding the required commercial aspect. Scenes that require commercial highs including the first scene where Vijay's character kills a British end up flat due to weak narrative hold and inadequate background score. Another sequence where the British are tied up by Seema people and chilli powder is rubbed on them is executed without might. It just goes away like that. A strong commercial film requires adequate holding of the emotion and Rahul does not get this metre right.

There is more of a documentary vibe to this narrative than a proper Telugu commercial film vibe. This real life couple brought emotional core to the film through their realistic portray of wife and husband on screen. As long as Rashmika and Vijay are together on screen, there is something good happening. The interval sequence is solid enough, but this momentum is not carried in the second half as predictable narrative leads towards the climax. The final portion of the film is emotionally gripping, but the energy is drained out already. The production values are extraordinary as the set pieces look very grand and believable. The cinematography is also on point as the visuals look extremely appealing to the eye.

Devika Bhat's 'Reality' FL: Simple Yet Captivating

Kiran Abbavaram has joined hands with producer Sudhakar Chaganti to craft an engrossing family drama, Reality. The movie glimspe has made a highly positive impression on audiences with the way Kiran presented the middle family with their joys and sarrows combined into one engrossing package of emotions.

\As a first time director, Kiran left a grand impression on audiences to watch his film in theatres. Now, the makers have unveiled leading lady Devika Bhat's first look and it is simple, captivating. We see her wearing a green saree and sharing a romantic moment with Kiran in the kitchen. Their moment of closeness leaves audiences wanting for more.

Already, Kiran left a lasting impression with his highly relatable line from the glimspe about how every middle class man aims to lead a debt free life. With this new look, he proved Reality is a sweet family feast releasing on 25th December.
